Rahad Hussain

CSE Graduate | Aspiring Software Developer

rahad01921@gmail.com | linkedin.com/in/rahad-hussain | github.com/rahad00x | Dhaka, Bangladesh

Professional Summary

CSE graduate with a strong foundation in programming, software development, problem-solving, and IT. Proficient in multiple programming languages with hands-on research experience in WebSocket security and penetration testing. Strong communicator and fast learner seeking an entry-level opportunity in the IT and technology sector.

Technical Skills

Programming languages: C, C++, Java, Python, JavaScript
Core competencies: Object-Oriented Programming, Data Structures & Algorithms, Software Engineering, Computer Networks
Soft skills: Communication, Teamwork, Problem Solving, Presentation, Leadership

Research Experience

Undergraduate Thesis: Penetration Testing and Analysis Using WebSocket
Uttara University | 2025-2026

- Conducted security assessment of WebSocket implementations, investigating XSS, CSWSH, and handshake manipulation vulnerabilities.
- Performed practical penetration testing using Burp Suite Professional in the PortSwigger Web Security Academy environment.
- Designed an automated Python-based WebSocket Vulnerability Scanner using asyncio and websockets, detecting five major vulnerabilities.

Education

Bachelor of Science in Computer Science & Engineering (CSE)
Uttara University, Dhaka, Bangladesh | Completed August 2026

Languages

Bengali (Native), English (Proficient)
